NOW COMICS AT COMIC-CONVENTIONS!

I'd like to take this opportunity to inform everyone where they can meet with NOW COMICS representatives and creators!

The best places to find people from NOW are at two major comic conventions which occur during the summer every year.

The first is THE CHICAGO COMIC-CONVENTION, which is scheduled from June 30th to July 2nd at the RAMADA INN at O'HARE airport. What is at a comic convention? Well we usually put up our display and creators come by to sign tons of autographs and sign copies of the comics they worked on. NOW COMICS usually shows **SPEED RACER**, **ASTRO BOY EPISODES**, as well as promotional footage of **THE REAL GHOSTBUSTERS**, **SLIMER**, **FRIGHT NIGHT**, and other stuff, including a special **NOW COMICS TV commercial**.

THE SAN DIEGO COMIC CONVENTION, which is August 3-5 this year

is held at the Convention Center in Downtown San Diego.

Last year we had THE REAL GHOSTBUSTERS appear along with a replica of the ECTO-1 car. The Stay-Puft Marshmallow Man stopped by every once in a while to say hello to a few of the thousands of people that showed up.

We will have that same display this year, but I'm working on something else too.

But anyway, if you'd like more information on these Cons keep an eye on the little box on the bottom left hand corner, when the Con information numbers are available, we'll list them for you.

Grab those books for autographing and come see us! We promise to have extra pens ready.

CAN YOU SURVIVE BATTLING THE BIG BOSS?

Can you face the Double Dragon challenge? The City slum finds you, and your ally Billy, scoring 100 points each time you punch or kick your way through 10 street gang members for a victory.

Mission 2, The Industrial Area, allows you to jump to avoid the dynamite thrower but it now takes you 20 hits instead of 10 to defeat your opponent. The danger of Mission 3, The Forest, increases as your enemies not only become smarter, but the scrolling screen advances the savage foes faster and more often. You get aid by jump kicking and picking up any weapon your enemy drops. Mission 4, The Hideout, pits you against Jimmy Lee, The Big Boss. Escape his thugs, and the vicious double bat by moving backwards, swaying back or jumping. Maximum score retained lets you beat your best score but remember! You will be knocked out if your power bar reaches zero as it is diminished every time you are hit so beware! You only have three lives to complete all four missions and save Marion to win!
